History of Montfair

Montfair Resort Farm has been welcoming guests to our family owned and operated resort since the mid 1960s. Nestled on 129 acres in the wooded foothills of the Blue Ridge Mountains, our charming guest house, cozy cottages, scenic lake, and Event Lodge provide a breathtaking backdrop for meetings and celebrations.

Rooted in Virginia's rich cultural heritage, Montfair offers a warm and welcoming atmosphere for groups seeking a laid-back, nature-filled event experience. As an eco-conscious venue, we've become a favorite for those who value natural beauty and meaningful time with friends, family and colleagues in a peaceful mountain setting.
